Number: \_\_\_\_\_

Listening Test 聽力測驗

一. Listen and Circle 仔細聽，圈出正確的母音對應字母

(5 %)

- |        |     |     |
|--------|-----|-----|
| 1. oo  | au  | ue  |
| 2. ie  | ee  | o_e |
| 3. ow  | ew  | oi  |
| 4. a_e | i_e | e_e |
| 5. ar  | a_e | oe  |

二. Listen and Circle 仔細聽，圈出正確的發音例字

(5 %)

- |           |       |       |
|-----------|-------|-------|
| (1) plane | prime | plan  |
| (2) hard  | hurt  | heart |
| (3) block | black | break |
| (4) grace | glass | grass |
| (5) took  | tick  | take  |

三. Listen and Check 仔細聽，將與句子相符的圖片

打✓。(10 %)

- |    |                                                                                     |                                                                                     |                                                                                     |
|----|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| 1. |  |  |  |
|    | ( )                                                                                 | ( )                                                                                 | ( )                                                                                 |
| 2. |  |  |  |
|    | ( )                                                                                 | ( )                                                                                 | ( )                                                                                 |
| 3. |  |  |  |
|    | ( )                                                                                 | ( )                                                                                 | ( )                                                                                 |
| 4. |  |  |  |
|    | ( )                                                                                 | ( )                                                                                 | ( )                                                                                 |
| 5. |  |  |  |
|    | ( )                                                                                 | ( )                                                                                 | ( )                                                                                 |

四. Listen and Write 仔細聽，寫出聽到單字(10%)

1. My brother likes science and math, so he wants to be a \_\_\_\_\_.
2. Tina usually \_\_\_\_\_ after school.
